

## JOB DESCRIPTION AND JOB SPECIFICATION FOR INTERIOR DESIGNER

### About Retale Design

With **22+ years of experience**, we create **branded environments** that connect people with brands across **India** and the **Middle East**

Our work is driven by a deep understanding of brands, developed through years of expertise in retail strategy, brand discovery, and market research, enabling us to create differentiated, elegant, and impactful store interiors and graphics.

### Job Overview

We are looking for a passionate and creative **Interior Designer with 0–2 years of experience** to join our design team. The candidate will assist in developing interior design concepts, preparing drawings, and supporting project execution from concept to completion. This role requires strong design sensibility, attention to detail, and the ability to collaborate with architects, designers, vendors, and clients.

### Required Skills

- Proficiency in **AutoCAD, SketchUp, or similar design software**.
- Good understanding of **space planning, joinery details, materials, furniture, and lighting**.
- Strong **visual presentation and communication skills**.
- Ability to work in a **collaborative and fast-paced design environment**.

Experience	0 to 2 years
Qualification	Bachelor's degree in <b>interior design or architecture</b> .
Reporting Structure	Report to the team leader & manager
Technical Knowledge	Knowledge of design software ( <b>AutoCAD, SketchUp, PowerPoint, Excel, Word</b> )
Employment Status	Permanent
Job Location	Indiranagar, Bangalore

### Job Description

- Conceptualize and develop **interior design concepts, mood boards, and material palettes**.
- Prepare **2D drawings, layouts, and detailed interior drawings** for projects.
- Ability to **read and interpret MEP drawings** and coordinate them with interior design plans.
- Create **3D SketchUp models and visualizations** to communicate design ideas clearly.
- Support senior designers in **project coordination and documentation**.
- Research **materials, finishes, furniture, lighting, and fixtures** for projects.
- Prepare **presentation decks for clients**.
- Visit project sites for **measurements, site documentation, and coordination**.
- Work closely with **vendors, contractors, and consultants** during project execution.
- Ensure designs align with **client requirements, project timelines, and budgets**.
